

The St. Olaf Curriculum, Graduate Requirements, and Degrees

Curriculum

The St. Olaf College curriculum engages students in a multidisciplinary, multicultural exploration of human knowledge and experience. The curriculum cultivates the basic skills students need to succeed in college and beyond and introduces students to the traditional liberal arts disciplines. The combination of general education (<http://catalog.stolaf.edu/curriculum/graduate-requirements-degrees/general-education-requirements-ba>), major, (<http://catalog.stolaf.edu/curriculum/majors-concentrations-areas-emphasis-teaching-certifications>) and elective courses helps students develop both breadth and depth in their college education.

At the same time, the curriculum provides opportunities for integrative study through general education (<http://catalog.stolaf.edu/curriculum/graduate-requirements-degrees/general-education-requirements-ba>) courses that meet more than one requirement and through a variety of interdisciplinary majors and concentrations (<http://catalog.stolaf.edu/curriculum/majors-concentrations-areas-emphasis-teaching-certifications>). This blend of traditional and innovative instruction nurtures a critical, creative, and flexible intelligence. The St. Olaf curriculum prepares students for the lifelong learning so essential to their continued personal and professional development.

Graduation Requirements

A student admitted to St. Olaf College is considered a degree candidate and registers under the regulations and degree requirements listed in the *St. Olaf Academic Catalog* for the academic year the student first enters St. Olaf as a degree candidate.

The *St. Olaf Academic Catalog* is available only on the college's website (<http://wp.stolaf.edu/registrar/academic-catalogs-calendars-exam-schedules-registration>) and is updated once each year by August 15. Academic regulations and procedures as they apply to students may change during a student's time at St. Olaf, but graduation requirements remain those in effect at the time of entry.

No candidate for a degree will receive a diploma until all requirements have been fulfilled. While some course requirements may be fulfilled differently, graduation requirements themselves are not subject to waiver for individual students.

A student in doubt about how certain requirements are interpreted should consult the Academic Regulations (<http://catalog.stolaf.edu/academic-regulations-procedures>) section of this catalog or contact the registrar.

Responsibility for understanding and meeting graduation requirements stated in the *St. Olaf Academic Catalog* rests entirely with the student. Faculty advisors and the registrar assist in every way possible.

Note: For numerical purposes, the term "course" means a full (1.00) course credit, as distinguished from fractional course credits.
