

Admissions Procedures

wp.stolaf.edu/admissions (<http://wp.stolaf.edu/admissions>)

St. Olaf College seeks to assemble a student body that reflects a variety of geographic, cultural, socio-economic, racial, ethnic, and religious backgrounds. Each class reflects the college's commitment to enrolling a diverse and energetic group of students eager to embrace the challenges of a liberal arts education. Admissions decisions take into consideration academic achievement and aptitude, personal qualifications, evidence of service and leadership, and significant involvement in school and community.

If you have questions about the application process, please contact the Admissions Office at 800-800-3025.

Recommended Preparation

A secondary school program combining breadth and depth is an excellent preparation for study at St. Olaf. Honors, Advanced Placement, International Baccalaureate, Cambridge A level, or accelerated and enriched coursework, when available, are particularly helpful. St. Olaf recommends a program of study that includes the following:

- Four years of English;
- Three to four years of mathematics;
- Three to four years of natural science;
- Three to four years of social studies; and
- Two to four years of the same second language, including study in the senior year.

Successful applicants to St. Olaf have pursued an academically rigorous high school program that emphasizes creativity, writing, and critical analysis. Analytic and quantitative skills are important for all students. In addition, students are encouraged to take academic electives such as computer science, economics, the fine arts, geography, journalism, sociology, speech, and world history. Keyboarding, word processing, health, and physical education, while valued, are not acceptable substitutes for academic subjects.

Careful attention is given to each application, and explanation of special circumstances is encouraged. St. Olaf offers a variety of courses designed to meet the diverse needs, interests, and qualifications of new students.

Application Requirements

Each application for admission is reviewed on its own merit. Applicants to St. Olaf must submit:

1. The Common Application, available from high school guidance offices or online at <http://www.commonapp.org> or <http://wp.stolaf.edu/admissions/apply/>.
 - a. If a student wishes, they may submit their application through the Coalition instead of the Common Application. The Coalition application is available at <http://www.coalitionforcollegeaccess.org/>
2. An official transcript from an accredited high school or equivalent (see below). This transcript must include grades through the junior year in high school.
3. Scores from either the American College Test (ACT) or the Scholastic Aptitude Test (SAT) (see below).

4. One (two are encouraged) letter of recommendation from a teacher, preferably from a class taught in grades 10-12 in an academic subject: English, foreign language, history, social studies, mathematics, or the natural sciences.
5. An additional letter of recommendation, which may come from another individual who knows the applicant well.

High School Transcript

An official transcript of the high school academic record showing completed high school work, rank in class (where available), and test scores must be submitted by the appropriate deadline.

College Entrance Tests

The single most important academic factor for applicants to St. Olaf is the record of achievement reflected in the candidate's high school transcript. Standardized test results are important, but a secondary factor. Applicants are advised to take either the ACT or SAT early in the college admissions process, and not later than fall of the senior year. High school counseling/guidance offices have information on the tests, test dates, testing centers, and registration procedures.

Types of Application

Two types of application are available to students: Early Decision and Regular Decision

Early Decision Application

Early Decision is designed for students who have determined that St. Olaf is their first choice. Students may not submit Early Decision applications to other institutions and must withdraw all other applications upon acceptance. There are two rounds of Early Decision. Applicants who submit their complete Early Decision I application by November 15 will be notified by December 15. Applicants who submit their complete Early Decision II application by January 8 will be notified by February 1.

Regular Decision Application

Students considering a number of different colleges should apply under our Regular Decision process. The Regular Decision application deadline is January 15 and applicants will be notified on or about March 15.

Admission to the Music Program

Students who intend to major in music or who wish to apply for a St. Olaf music scholarship must submit the music scholarship application form, audition CD, music resume, and letter of recommendation to the Music Admissions Office by December 15. All students must also complete the college application for admission by January 1. Applications completed after that date will be considered on a rolling and space-available basis. Transfer students should complete the Common Application along with the Registrar's Report. Students should also submit an official final high school transcript and official college transcripts showing all completed college coursework. The St. Olaf registrar will provide

transfer students with an evaluation of their transcripts for transfer of course credits. More information on transferring can be found here: <http://wp.stolaf.edu/admissions/home/transferring/>

A maximum of 18 courses may be transferred. St. Olaf requires a residency of 17 courses over the equivalent of two years. The grades earned at other institutions are entered on the St. Olaf record but are not calculated in the St. Olaf grade point average.

Transfer Courses and Credits

International students are required to submit official results of the TOEFL (Test of English as a Foreign Language), IELTS (International English Language Testing System), ACT, or SAT. If English is not the official language of the student's home country or the primary language of instruction, the TOEFL or IELTS is required.
