

St. Olaf Affiliated Programs

St. Olaf offers a variety of affiliated off-campus programs. They are consortial programs, exchanges, and provider programs that have been selected for their academic excellence and their fit with the St. Olaf curriculum. All programs have been approved by the St. Olaf curriculum committee and offer St. Olaf resident credit, though grades are not calculated in the St. Olaf GPA. Most are semester or year programs, but there are a few options in Interim and summer term. Each program has a St. Olaf faculty program advisor who advises and selects participants. Additional information can be found on the St. Olaf International and Off-Campus Studies website (<http://wp.stolaf.edu/international>), including coursework, general education credits, application instructions, and program fees.
